ADVERTISEMENT FOR BIDS

City of Conway Springs
208 W Spring Ave, Conway Springs, Kansas 67031
Wastewater System Improvements
WCI File: 15-600-515-01

Sealed Bids for the construction of the Wastewater System Improvements will be received by OWNER, at the office of the City Clerk, City of Conway Springs; 208 W Spring Ave; Conway Springs, KS 67031, until 1:30 PM local time on February 24, 2021, at which time the Bids received will be publicly opened and read. Bids received after this time will not be accepted.

The Project is generally described as follows:

Work includes furnishing all the labor, materials, and equipment for the construction/improvements at the wastewater lagoon facility and in town, forcemain piping, excavation and compaction, desludging, lift station, mechanical screening, aeration improvements, gravity sewer installation, gravity sewer rehabilitation (CIPP), manhole rehabilitation and installation, tree removal/trimming, street repair, and gravel surfacing. The general overall project improvements include construction staking, mobilization, erosion control, grass seeding, telemetry, and all other incidental and appurtenant work required to complete the improvements as shown and specified.

Bidding Documents in electronic Adobe Portable Document Format (pdf) can be viewed or downloaded through the online Plan Room at <http://www.wilsonco.com/plan-room> at no charge. Printed copies of the proposed Bidding Documents may be obtained from the Wilson & Company, Inc. Engineers & Architects upon receipt of a non-refundable deposit in the amount of \$150.00 for each set, not including tax and shipping costs. Contractors, subcontractors, suppliers, etc. must register or log-in to view and/or download Bidding Documents. Complete sets of Bidding Documents must be used in preparing Bids; neither Owner nor Engineer assumes any responsibility for errors or misinterpretations resulting from the use of incomplete sets of Bidding Documents. For any questions regarding ordering or viewing of the Bidding Documents please contact the Issuing Office.

The Issuing Office for the Bidding Documents is:

Wilson & Company, Inc. Engineers & Architects, Salina, Kansas.
Telephone: 785-827-0433; Email: planroom.salina@wilsonco.com

Addendums and plan holder list will also be available through Wilson & Company, Inc. Engineers & Architects (<http://www.wilsonco.com/plan-room>).

A pre-bid conference will ***not*** be held.

Bid Security will be required in accordance with the Instructions to Bidders.

Bidder qualifications may be required in accordance with Instructions to Bidders.

Contract time will be set in accordance with the Agreement.

OWNER reserves the right to reject any or all Bids and to waive irregularities in bidding.

This project is funded in part by Kansas Department of Commerce Community Development Block Grant (CDBG), a Kansas Department Health and Environment Revolving Loan (KWPCRF), and permanent financing

from the United State Department of Agriculture – Rural Development (USDA-RD). Bidder’s attention is called to the required compliance with CDBG, KWPCRF, and USDA-RD funding requirements.

Bidders attention is called to the required compliance with conditions of Section 3 of the 1968 Housing Act, Section 109 of the 1984 Housing and Community Development Act, the Civil Rights Act of 1964 and Segregated facility.

Bidders on this work, including subcontractors or vendors, will be required to comply with the President's Executive Order No. 11246. Requirements for bidders and contractors are explained in the Bid Documents.

Bidders on this work, including subcontractors or vendors, will be required to comply with the Kansas Act Against Discrimination (K.S.A. 44-1001 et.seq.) and the Kansas Age Discrimination in Employment Act (K.S.A. 44-1111 et.seq.). Requirements for bidders are explained in the Bid Documents.

Bidders must fully comply with Subpart C of 40 CFR Part 32 entitled Responsibilities of Participants Regarding Transactions. Contractors, subcontractors, or suppliers that appear on the Excluded Parties List System at www.epls.gov are not eligible for award of any contracts funded by the Kansas Water Pollution Control Revolving Fund.

American Iron and Steel. Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A – Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All iron and steel products used in this project must be produced in the United States. The term “iron and steel products” means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restrained, valves, structural steel, reinforced precast concrete and Construction Materials.

The following waivers apply to this Contract:

- De minimis,
- Minor Components,
- Pig iron and direct reduced iron

Any questions regarding the Bidding Documents should be directed to Engineer.
